## INTERACT – 12<sup>th</sup> MCM in Lille, France 29 September – 2 October 2025

### Local information

The meeting will take place at *ENSAM "Arts et Métiers"* campus de Lille, 8 bd Louis XIV - 59046 LILLE.

### How to reach Lille

If there is an airport close to Lille (Lille-Lesquin - <http://www.lille.aeroport.fr/home/>), there are not so many planes that land there. Easier solutions are to land in Paris (CDG), Brussels (BRU), or Brussels South Charleroi (CRL), eventually London and then take a train (1H from Paris, 1H30 from Brussels Airport, 1H30 from London). One solution is to land in Paris-Charles de Gaulle (CDG) where the train also stops and is direct to Lille (~1H). There are also cheap buses from Paris or Brussels to Lille (<https://global.flixbus.com/> or <https://www.blablacar.co.uk/> or <https://www.flibco.com/en> )

There are two train stations in Lille (Lille-Europe, Lille-Flandres). Both are very close (less than 20' walk and 10' metro to the event) and close to all city centre hotels. To book the tickets you can use SNCF web site (<https://www.sncf-connect.com/app/en-en/home/search/od> )

From Lille-Lesquin airport, you can take a 20mn Flibco shuttle to the train station in the city centre (<https://www.lille.aeroport.fr/getting-to-the-airport/shuttle/> ).
